## Hop into Wonderland! Welcome to WPIG...

Founded in August 2021, WPIG aims to be a decentralized meme project with a real purpose.

A core aim of WPIG is to make popular cryptocurrency concepts more accessible to the public. With WPIG, holders get to experience next-gen developments like frictionless yield, NFTs, and decentralized exchanges.

## **WPIG SWAP (IN PROGRESS)**

This decentralized exchange allows holders to trade any Heco token for another, and it offers custom functionality.

## **WPIG TEAPARTY (IN PROGRESS)**

We also feature artists from community contests who earn staking fees from NFT Marketplace, which allows users to stake WPIG to earn NFTs.

## **TRAIL of WONDERS (IN PROGRESS)**

A Wallet Tracker that enables Holders track their earnings from \$WPIG, as well as their wallet balance and token prices.

## **WPIG in WONDERLAND (IN PROGRESS) WPIG**

holders can make use of the merchandise store to promote WPIG in real life. All proceeds from the store will support WPIG'S growth.

# Values

## TRANSPARENCY

WPIG keeps its WPIGholders and holders informed at every stage of the company's growth by maintaining open communication.

## COMMUNITY

At the end of the day, WPIG is a community owned company, so we encourage collaboration between members on marketing, development, community management, and more.

## TRUST

There is no substitute for trust when it comes to cryptocurrencies. By ensuring holder funds' security, we mean not only providing transparency. (E.g, include audits of WPIG's code.)

## LONGEVITY

WPIG looks forward to a long-term partnership. A significant investment will result from our long-term plan, which is not dependent on temporary trends.

# Token

In June 2021, Heco Smart Chain will launch a Heco token called WPIG.

WPIGtoken.finance 10% Culture Contribution Tax (CCT), 4% redistribution to holders, as a result of which

existing holders automatically earn WPIG during each transaction. The other 4% will go back to the MDEX Pool (LP). 2% is allocated to the project party for research and development

Max supply of token is 1,000,000,000,000,000,000.

On August 15th, 10% of the total supply will enter MDEX (LP).

On August 30th, 20% of the total supply will enter MDEX (LP).

On September 15th, 20% of the total supply will enter MDEX (LP).

On September 30, 20% of the total supply will enter MDEX (LP).

20% of the total supply has been burned from the main wallet

10% of the total supply will be airdropped to the initial supporters of the cryptocurrency world and random wallet

holders.

## SWAP TEAPARTY

WPIG SWAP is a decentralized exchange (DEX), users can swap any Heco token for another one.

With the help of MDEX, one of the world's largest and safest DEXes, WPIG will be able to develop its own functionality for WPIG holders.

## TRAIL OF WONDERS

Users can track their SWPIG token stats over time with TRAIL of WONDERS.

In addition to passive income, SWPIG statistics include the total balance of the cryptocurrency, USD value, and price charts-

## WPIG

WPIG TEAPARTY is the official NFT marketplace which encourages holders to have digital pets and grow them! Holders can stake (deposit) their \$WPIG tokens to gain exclusive WPIG NFTs featured by us or artists that are part of the WPIG community.

Artists are allowed to showcase their work on the marketplace. Portions of the fees generated by the NFTs are distributed to the artists, while the rest funds WPIG.

## WPIG IN WONDERLAND

By offering holders official merchandise, WPIG in WONDERLAND takes WPIG to the mainstream.

Holders can fund future development of WPIG using cryptocurrency-
